

Enter your ground level cottage getaway to enjoy the comfortable and casual furnishings. Walls are filled with art reflecting the scenes of sea and nature. Enjoy the mix of nautical antique and historic photos contributing to the nostalgic decor.

Furnished, resort floor plans in six structures make up the village with one and two bedroom plans arranged around open living/dining and kitchen areas. Two person walk-in showers are the norm while cool ceramic tile floors sweep through the entire abode.

Discover the barefoot, relaxed, undemanding, laid back tranquility of this little island village.

Walk or bike to everything. Your cottage getaway is located just steps from the beach and a few blocks from restaurants, shopping and groceries. A free, 1940's style trolley runs the length of the island every half hour.

And, your cottage's location means easy access to Manatee Avenue to leave the island.

Palm Isle Village has spacious outdoor living spaces and a heated swimming pool. You will discover each cottage's interior and exterior are beautifully maintained while providing excellent furnishings, kitchenware, appliances and linens.

Each structure is crowned with a spacious "Widow's Watch" tower to view the calming blue water of the Gulf.

A sophisticated cottage where personalized features await.
